Making Tracks. That's What Life Is All About; Leaving The Best Impression Upon Other People That We Possibly Can.

Just as when we're walking on the beach. At first, when we are wading in the water, the impressions don't remain. Then, as we venture out of the water and onto the wet sand, our footprints are more defined. But they, too, are washed away soon. Finally, as we're reaching dryer sand and the water is further and further away, every step is more obvious and defined.

So is life. When we were younger and we would do foolish things sometimes, no one really remembered because we were only children and nonsense was expected. People thought it was "cute". As we grew up, people began to remember our actions, and we were held accountable for them. We started to make lasting impressions, and our responsibilities grew. Now, as high school students, our footsteps are defined. We no longer have

our mothers' skirts to hide behind. We are on our own, and everything we do is noticed. We have a chance to let the world know we are here and better than before; a chance to make a positive statement.

As freshmen, we came into this new "world" of ours. We began experiencing new ideas, thoughts, and activities. We began to move forward towards our final goal—graduation. As juniors we climbed even higher towards the finale, hoping for all the brilliance and passion which comes with it. Then, as graduated seniors, we can look back at what we started out as and how we have finished, and actually be impressed. We are on our way and soon we'll be looking back at all the years which have passed, and all the tracks we have made.

Moving Forward

Some people come into our lives

And quickly go
Others stay for a while
And leave footprints on our hearts
And we are never ever the same.

We, the freshman class of 1984, are made up of many different kinds of groups and people; this diversity helps to make us unique, to say the least. Our class could classify itself by groups such as the preps, punkers, brains, the rowdies, and the wall-flowers. We might have distinct groups and people, but when anyone needs a helping hand we always come together to "lend it".

We are the only class in Revere's history that can brag about having a genius. Thanks goes to Eric Riens for letting the class of 1987 hold that title.

Student Council

This year's 1983-84 Student Council made many attempts to improve school spirit. With Tim Peterson as President, Kendra Hostetler as Vice-President, and Mike Bauer as Treasurer, Student Council sponsored the most successful Homecoming in Revere's history. Other activities it promoted were: the teacher's tea, bloodmobile, special olympics, Christmas dance, pep club, sweat shirt sales, computer match, and candy and pop sales throughout the year. Kevin Gore led the pep club with the assemblies, and Dave Metcalf supplied council with many new dance ideas. The student council accomplished many projects and instituted many new ideas, which will hopefully be continued in the future.

National Honor Society

The new members of NHS are: Cassie Bain, Bill Downing, Najla Ghazi, Cindy Murray, Carl Jandrey, Jenny Bandy, Geoff Clark, Kate Grawemeyer, Karla Franz and Gloria Colonna.

The National Honor Society is just as the title states; an honorary club composed of juniors and seniors who display the four required qualities necessary to gain admittance. These characteristics are leadership, character, scholarship, and service. A student must also achieve and maintain a grade point average of 3.5 and participate in numerous extracurricular activities. These students should be commended on their fine performances and contributions to Revere.

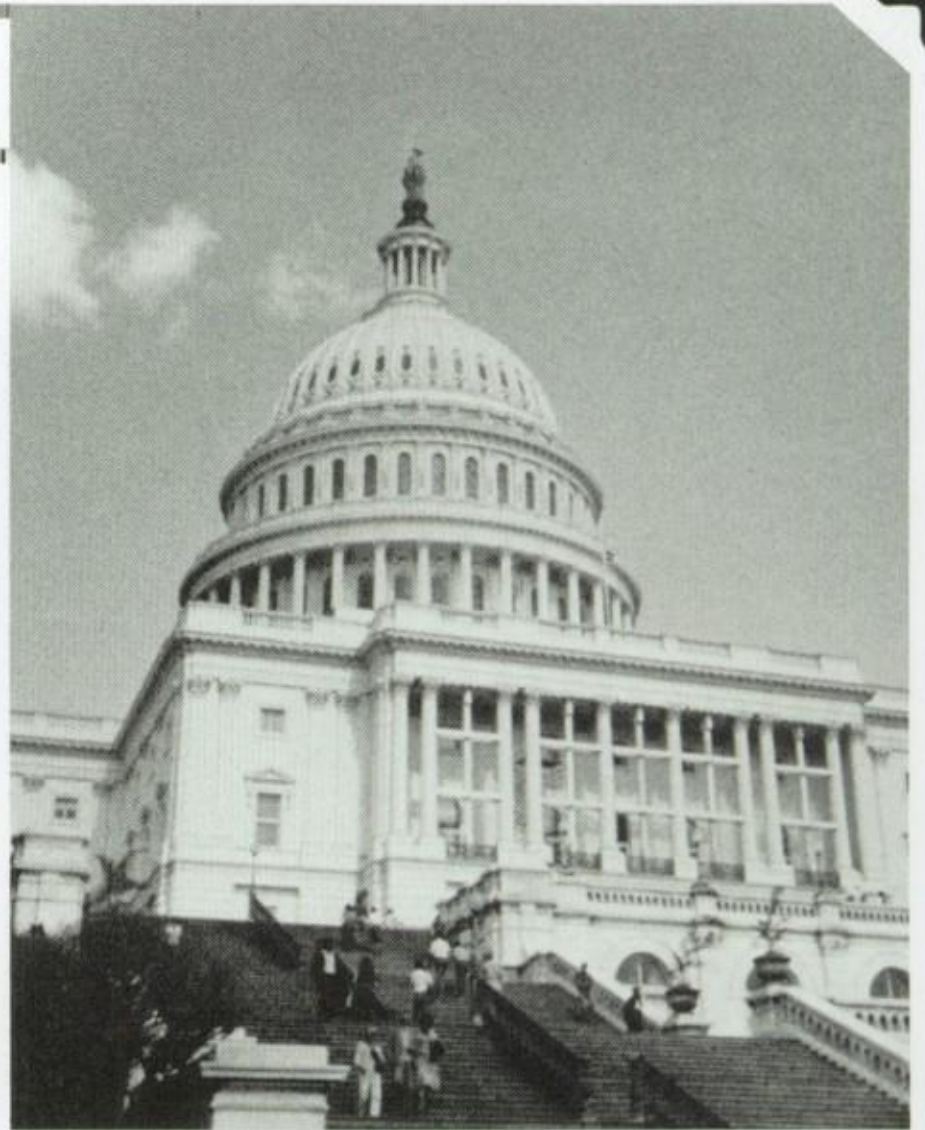

The members of the National Honor Society are **FRONT ROW**: Juli Sterenberg, Kim Salamon, John Butzberger- Pres., Kathy Andria- V. Pep Club

This year's Pep Club was not as strong as it had been in the past. Lack of organization, supplies, and most of all- support, caused a decrease in the RHS spirit. Chairman Kevin Gore tried his best to keep the club motivated, with the help of Lori Shoemaker. Hopefully, the organization will pull together and become more successful next year.

REVERIE

TO OUR STAFF:

Well, we finally made it through the year! It is hard to believe, isn't it? We never thought we would, and we never would have if it wasn't for you. Thanks for all your patience, love, and help. A special thanks goes to those who skipped classes at the last minute to finish the deadline (Boy, Susan sure was a bear then, wasn't she?). We're going to miss you all. Good luck with next year's book.

The Lantern

The 1983-84 Revere **Lantern** informed and entertained Revere's students for another year. Published twice monthly by the journalism classes, the **Lantern** reported school events, investigated "hot" issues, and tried to provide a little humor.

The newspaper, under the direction of advisor Barb Almes and editors Mark Nelson and Scott Root, won second prize in a Bowling Green statewide competition. Several writers were recipients of Quill and Scroll Awards.

The students wrote their own articles, set up their own pages, conducted interviews, typed stories, and even sold the paper themselves. The **Lantern** will continue to entertain the Revere Minutemen for many years to come.

This year has been extremely productive for AFS (American Field Service). It began with the summer Bus stop in July. Students from Revere hosted AFSers who spent the year in Washington and Alaska. They were here for four fun-filled days.

Then we got our AFS students for the year: Jenny Cooper (New Zealand), and Ana Miriam Rosa (Brazil). They filled our lives with love and joy.

We had a costume party at Kim Pringle's house on Halloween, and a Christmas party at Lynn Klimo's. Both were successful.

We sold evergreens for the Christmas holiday for our fundraiser.

All in all, it was an excellent year.

April 1 1984

Hi, folks!

You don't know what is going on in my mind. Some to leave is coming and I feel it will be tough to say "bye" to you guys. I've been

having so much fun here! You made my year be great!! I bet my Brazilian friends are jealous because they didn't come to Revere!

I would like to thank all you guys for everything. You were patient with me and helped me a lot in so many things! (specially my English!!). A special embrace with lots of love to the volleyball, basketball and softball teams and coaches. And I couldn't forget the Lantern Staff! Thanks a lot!! Also, a big "warm fuzzie" to the whole TI and folks of the Variety Show. I enjoyed being with you. Gee! I want to say so much and don't have space!

I wish good luck to everybody. With a smile shimmering on our faces let's cross our lines. Even though I'll be thousands of miles away, my heart and mind will always be with you. Our lines will still face each other... tomorrow... Let's hold the present with much power and courage, look at the past with gratitude for our learning and look forward to the future!

Write to me, OK!

I LOVE YOU ALL!!!

Smile!
The world
is better!

"Someday my friend, we will see each other again... Someday, my friend we will meet each other again..."

Dear Minutemen,

My year at Revere is drawing to a close all too quickly, but my memories and the friendships made will carry on endlessly. Being an AFSer from New Zealand, the size of California, and coming to America, led to abundant laughs on both sides of our culture. My time away from "home" has given me a wider understanding of today's world and its people. I recommend the AFS year to all. I'd like to thank the student body who helped make my time here most memorable. Thanks, too, to the members of the soccer team and the track teams, to the coaches and teachers who helped me through the year. Also a special heartfelt thanks to the close friends whom I shared a lot of my good times with. Your love and friendship will always be treasured.

Good luck to the "Class of '84" and perhaps I'll share with you again at reunions in years to come.

Love in friendship

BELOW: How can NFL members be so backward?

NFL

Most NFL'ers are asked at some time or other, "Why in the world do you get up at six on a Saturday to speak in front of a roomful of strangers?" "Is it worth it?" Well, there are times when NFL seems awful, (like six a.m.) and one feels like quitting, but the feeling passes and one realizes that it really is worth it. All the friends that are made, the trophies that are won, the bus trips, Mickey D's, staying up all night at State, the tears,

the hugs are all things that no NFL member would miss for the world. They are the things that make NFL worth it all.

This year the team had six State qualifiers. In the Humorous Interpretation were Najla Ghazi and Bill Lester; Prose Poetry— Manisha Hariani and Heidi Butler; and Two-Man Debate— Ben Campbell and Frank LaSalle. Congratulations!

Revere Players

Revere Players are known for doing zany and unusual things, and this year was no exception. The season started off with the play "You Can't Take It With You" which included ballet dancers, xylophone players, fireworks makers, freeloaders, and many other unusual types of people. During the middle of the year Revere Players presented the 1984 Variety Show which is always full of many crazy stunts. The 1983-84 season closed with the spring play "Harvey", which is about a 6'1 1/2" rabbit (actually a pooka) and his companion Elwood P. Dowd.

Revere Players also showed their individuality with this year's fundraisers. Instead of the usual candy or calendars they sold hundreds of stuffed animals and boxes of chocolate pretzels. All in all, it was a very successful season.

This year the Teen Institute for the prevention of Alcohol and Drugs (T.I.) was finally formed as a group, under the guidance of Mike Vavra, Tony Ciavarella, Dave Weber, and Bill Beuchat. Those students who participated in the organization found out that it concerned not only drinking and the use of drugs, but insight; the insight into oneself. Through the two "lock-ins" held in the field-house, the students came to know each other quite well. But more than that, they came to know **themselves** better.

Ski Club

T.I.

Many of the Revere students spent their Saturday nights on the slopes at Boston Mills Ski Resort, thus forming the Ski Club. Skiing, pizza, hot chocolate, cold, "Tiger", and fun—these words sum it all up. The Revere Ski Club will continue to provide enjoyment and entertainment during the winter "blah" season for many years to come. (Pictured above is the 1983-84 Ski Club.)

Olympics Of The Mind

The 1984 Olympics of the Mind Team consisted of 6 Seniors. The team attacked, as they had twice in the past, the balsawood structure problem. Under Coach Mr. Gary Helsel, the team advanced to State Competition for the third year in a row.

The competitions, which are held on the local, regional, state, and world levels, consisted of three parts. Each team prepared a long-term problem such as the balsawood structure problem, competed in a spontaneous problem, and performed a style presentation to introduce its long-term problem.

The Revere team advanced swiftly through local and regional competition until it met its toughest rivals at state competition. The team placed second in Ohio, ending the year's O.M. action for its members. Although this year was somewhat disappointing after the previous year, the team was still pleased with their progress and with the knowledge that they had done their best.

Chris Buchwald, Alan Medvick, Mike Bauer, Dave Metcalf, Rob MacKay, Coach Gary Helsel, Mike Monegan.

Art Club

Art Club is one of the groups here at Revere that not many people know about, even so they are an active club. The group has helped to beautify this school more than anyone else. The freshmen members worked on a window painting and the seniors painted a mural in room 208. They took a field trip to Don Drumm's studio, and the seniors worked on their portfolios to be judged for a thousand dollar scholarship! All this was due to the hard work of Leeanne Saro (pres.) and Renee Trares (v. pres.).

FRONT: Heather Protz, Cathy Sinopoli, Leeanne Saro (Pres.), Julia Martin, Mariam Higgins; REAR: Sue Fatkins, Pascale Paulett, Jason Andrew, Darlene John.

Vocational Education

What do you think of when you hear "Vo-Ed"? Unfortunately, many think of classes that only those who couldn't make it in "regular" high school take. That is far from the truth.

Vo-Ed, Vocational Education, provides students a chance to get a hands-on type of experience in the field of his/her choice, whether it's Automechanics, Cosmetology or anything in between.

This year there were many students from Revere in Vo-Ed. Jackie Frank won the Vo-Ed award for the outstanding student in her field, and was selected from all students enrolled in Vo-Ed.

Being involved in this program gives students who aren't planning to go on to college an edge over others when applying for jobs, and often allows students to leave high school already having a job.

PM Vo-Ed members are FRONT ROW: Ted Meyers, Karl Weiss, Dan Antczak, John Scherler; ROW 2: Monique Hill, Don Venus, Tim Tremmel, Greg Nause, Mike Wasielewski; ROW 3: Tim Bodjanac, Brian Baily, John Egbert, Tom Yuschak, Sarah Wells, Heather King.

AIDES

Why in the world do we need aides: What do they do?

Aides are there to help us get our work done when there's too much for us to do by ourselves. They are invaluable. They help us keep

our sanity and they never receive enough recognition. On these next few pages you'll see some of your classmates who aid teachers, secretaries, and others.

Without them many would be lost.

TWO DOWN, TWO TO GO!

The class of 1986 comprised many individuals, each with his own personality. What happens when you combine these individuals? You get a terrific bunch of people. We all are friends; we all care about each other. We share both the good and bad experiences, encouraging one another.

Now that we're half way through, we have some idea of the direction we're headed. We still have a lot to learn, and if things get rough we can always count on the support of our friends.

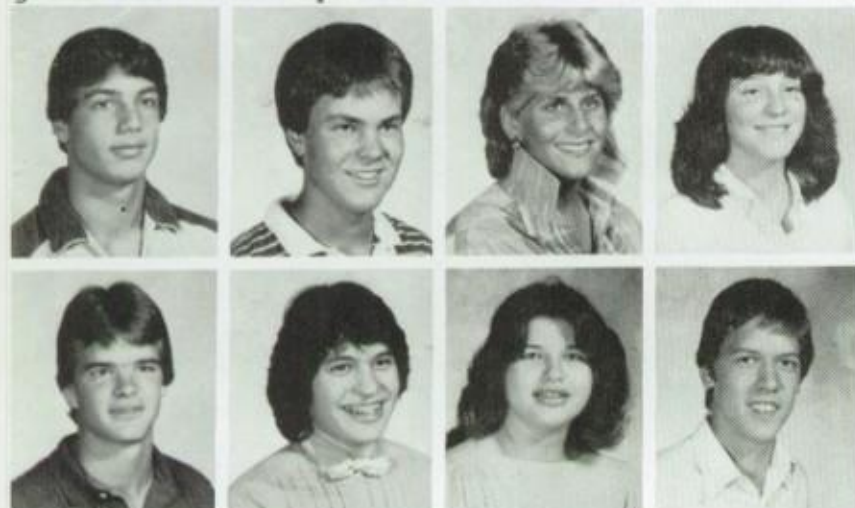

Not only are we close but we've got spunk! When things get us down, we simply stand up and face the world again, looking forward to the next day.

And do we know how to have fun! Every once in a while we need to break away and let loose. Here's where the fun starts! Friends get together and do some crazy things, but it's all in good taste.

So if we all stick together, we can successfully complete our last two years of high school. Together we will conquer the world!

Champs All The Way!

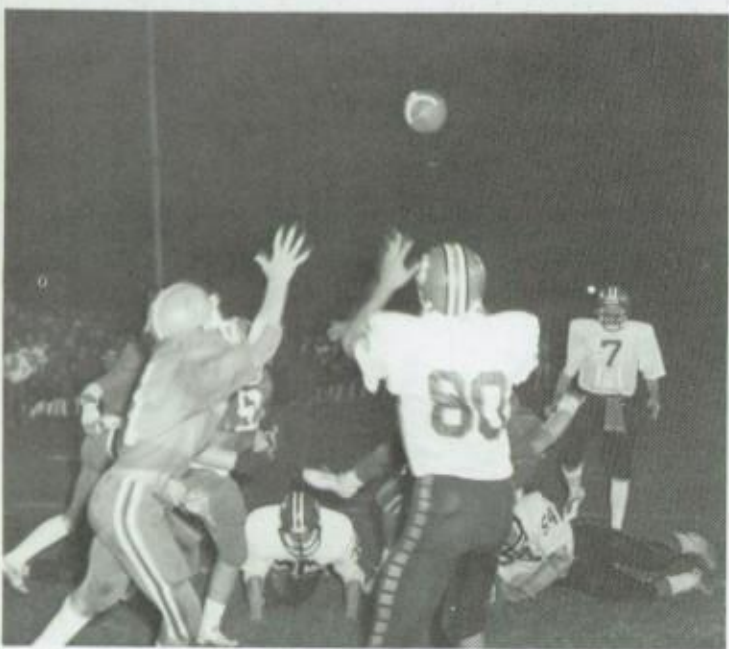

Hard Work And Determination Pay Off.

Following non-league losses to Brecksville and Medina at the beginning of the season, Coach Pappano predicted that once the team won a game it would continue winning. His prediction came true. The team concluded the season with an overall record of 5 wins, 5 losses, and a league record of 5 wins, 1 loss. Although Revere opened with an 0-3 record, it came back to win the last 5 of 7 games. The team rebounded, set its sights on winning the league, and achieved its goal. This proved to be as rewarding, or even more rewarding than the championships from previous years. Instead of giving up, the players kept working.

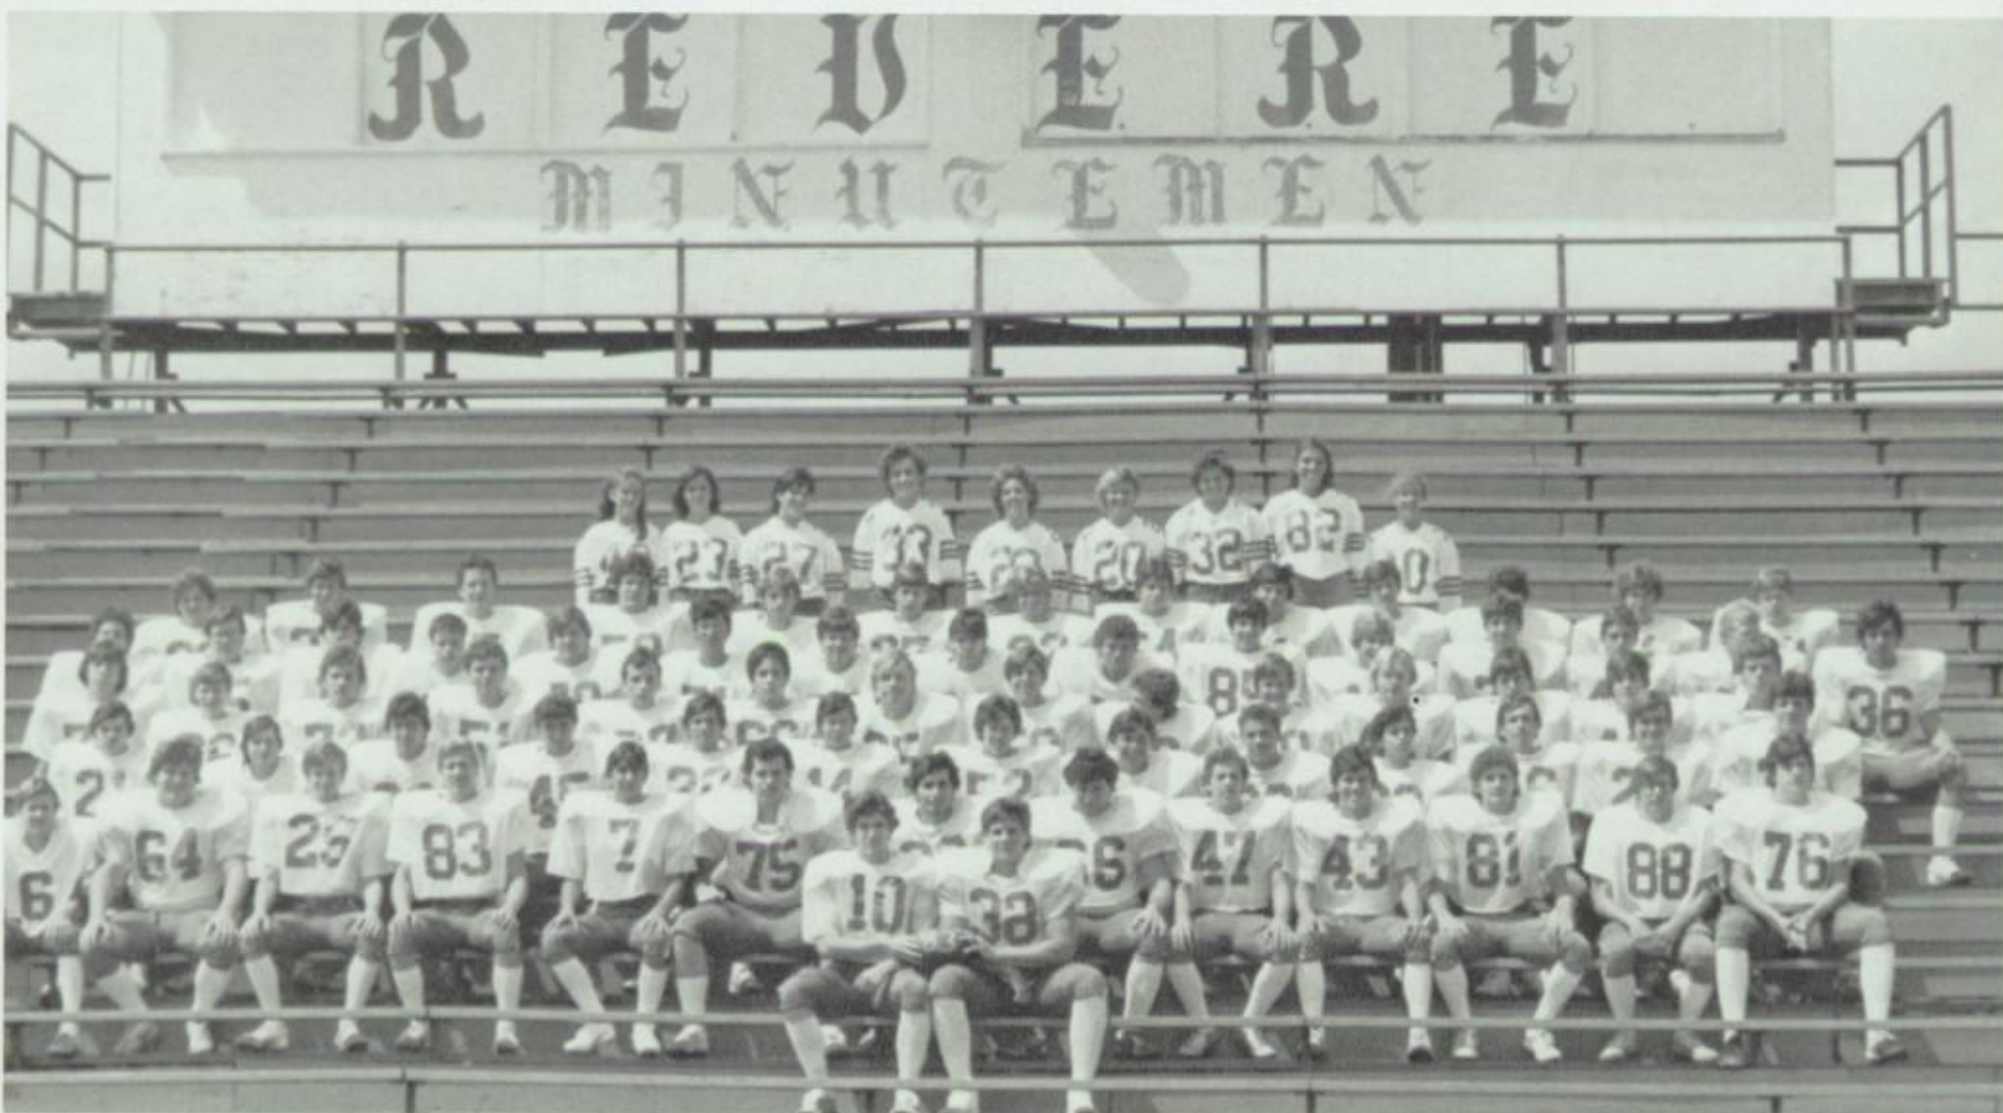

The Minutemen were an inexperienced team compared to those of the past three years. There were only five starting seniors instead of the normal fifteen. This enabled the younger players to gain valuable playing time and experience for their future years. Thus, the whole team learned at the same time. The biggest highlight of the season came when the team defeated the Green Bulldogs, at the same time Norton lost to Hudson. This gave the Minutemen one last shot at the Suburban League Title, both teams having lost only one league game.

Co-Captains David Snowball and Chris Mabee provided strong leadership with their positive attitudes and desire for a winning season. Four outstanding members were selected to the first team All-Suburban; seniors Nate Aboulhoun and David Snowball, along with juniors Keith Levan and Matt Wracher. Snowball was the leading rusher for the team, while Aboulhoun led the tackles. These players, along with the rest of the Revere Minutemen, coaches, families, and fans, made all the hard work and determination pay off.

REVERE

The Revere Minutemen celebrated their fourth straight Suburban League victory when they defeated the Hudson Explorers, 12-0. Despite the bad weather, they played a spectacular game and ended the season with a bang. This win clinched the Suburban League Title, which the team shared with the Norton Panthers. The title raised the spirit and pride at Revere. The Senior Class of 1984 was lucky enough to have a winning football season all four of its high school years. Thus, the Minutemen were indeed "Champs all the way."

Freshmen Football

The Freshmen and Junior Varsity teams also put a great deal of time and effort into their seasons. The J.V. ended its season with a record of 3 wins, 6 losses, while the freshmen concluded with 3 wins, 4 losses. Both teams show great potential for the years to come. Hopefully, through more experience, they will be as successful as the last four teams have been, adding yet another championship to the list.

Cheerleading

Cheerleading involves much more than the average football or basketball fan sees. Hard work and dedication are what make up a Revere cheerleader. Of course, there are the games, but there is also practice, (lots and lots of practice), summer camp, pep club, bake sales, car washes, and "teepeeing" until 5 o'clock in the morning. It begins with tryouts in the Spring, then picks up speed and does not slow down until the very last basketball game is over. There's barely enough time for a cheerleader to catch her breath before she's off and running again. So why do these girls do it? Ask any of them and she'll tell you- "You've Gotta Love It."

REVERE

Strike Up The Band One Time!

The Revere Marching Minutemen began their season at full throttle with much enthusiasm and many new ideas. Jamming on some of their finest tunes ever, the band played a diversified selection of quality music at the football games as well as at several band shows. Among these were the Stow Band Show, the Nordonia "Lancer" Band Show, and their own Festival of Bands. Bands came from all over Northeast Ohio to perform at Revere.

Fund raisers this year took on a new twist. Besides the traditional fruit sale and tag day, the band had an interesting time unloading "Revere Band All Purpose Cleaner" on an unsuspecting public, in order to pay for a trip to Washington D.C. It competed in the Cherry Blossom festival band contest at Kennedy Center for the Performing Arts. The band concluded their year with the annual march on Memorial Day through downtown Richfield.

A Swinging Success

The 1983 Girls' Tennis Team had another successful season this year, finishing with a record of 11 wins and 7 losses. Its first win over Hudson in three years is just one indication of their great season.

Seniors Lisa Dudley, Chris Flowers, and Jenny Curtis were the mainstays, with their experience and advice to their younger teammates. Walt Maynor added to the winning season by giving the girls his full support and dedication as a coach.

Captain Lisa Dudley received the only fourth year award and the Coach's Award. Marie Milano was named the Most Valuable Player, while Julie DasVarma received the Most Improved

A Stroke Of Luck!

This year, the golf team secured a second place finish in the Suburban League, closely following 1st place Hudson.

"The scores this year are the best they have been in several years. Since

there are only two seniors on the team, I am looking forward to having many returning members back next year."

According to Coach Scott, the toughest matches were against Hudson and Copley. Mr. Scott replied, "I have

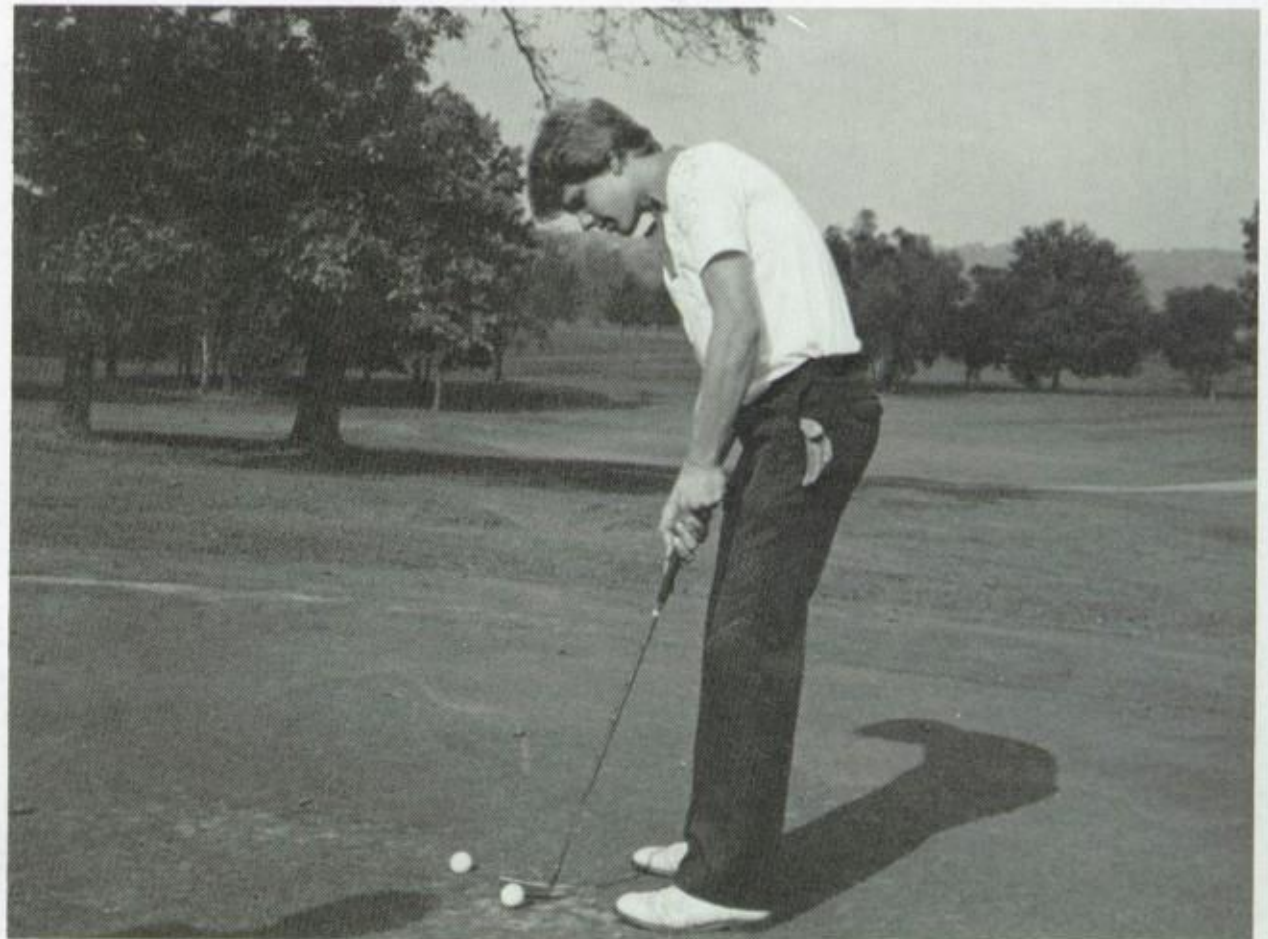

been extremely pleased with the teams accomplishments and attitude."

Junior Tim Busch went on to win sectionals and qualify for districts. There he placed 25th out of 125 golfers from Ohio.

Just One Kick After Another!

This year was not as great as the Varsity and Junior Varsity soccer teams had hoped, despite all their hard work. With the loss of some key players and the addition of a new coaching staff as well as advancing a division, the teams put forth a

good effort to make the best of their season. The Varsity's record was 3-14-1, while the J.V.'s record was 5-12-1.

The Varsity soccer team was coached by former Force player Mohammed Attiah. The Junior Varsity coach, Scott Rod-

gers, played soccer in high school and in college.

The team only graduated four players which means a good majority of the team will be returning next year.

BUMPIN' THEM OFF!

The volleyball team, despite a lack of seniors and, what might be called, a building season, accumulated several honors. Accumulating a 14 win & 10 loss record, the girls showed a steady improvement

throughout the year. The highlight of the season was the capture of the championship of the Revere volleyball tournament winning 6 straight games to dominate the eight team field.

Individual honors were received by Lauren Esarey and Diane Ingle who were named to the All-Suburban first team, and by Kim Bowman who was chosen to the second team.

Running The Distance

As a new coach, Jeff Gibson managed to pull together a team to run the 5 kilometer races. Workouts began in July. Hill work and leg speed, as well as simply running miles and miles, were combined

to help make runners out of all.

The camaraderie between the team members and the opposing teams kept the team running. There were always members from both teams helping you,

pushing you — and you always appreciated it.

Inexperience Causes Disappointment

Under new head coach Harold Scott, our Revere Varsity Basketball Team had a disappointing season, putting only one victory in the win column. This was because they were made up entirely of underclassmen with little varsity experience.

The Minutemen did have several players who turned in great individual performances. Shawn Braman, who was selected to the first Team All-Suburban League, led the team in scoring and was named Revere's Most Valuable Player. Tim Hower also played well and led the

Minutemen in rebounds, while sophomore Ed Phillips showed some great promise for the upcoming years. Hopefully, from the experience the underclassmen gained this year, the team will be much more successful next year.

The Drill Team continued to entertain Revere for another exciting year, making it their third. Not only did they perform at all home basketball games, but also at all home soccer games, which was a first. They also showed their spirit at pep assemblies and a few football games.

Under the leadership of captains Lesa Marting and Kathy Vernon, and the guidance of Connie Marting, the girls performed original routines to many popular songs.

By washing cars and various other fundraisers, they were able to purchase new uniforms. All in all, the girls worked hard to make the halftimes they performed at very enjoyable.

Combined Efforts Lead To Success

The Girls' Basketball Team had a very exciting season this year. The girls put all their efforts into every game, which resulted in a 21-3 record. Coming in second in the Suburban League, they were number one on the floor. Each girl contributed considerably to the team, but there were those whose performances were outstanding. Captain Carin Crislip was the team's Most Valuable Player, voted the Suburban League's Most Valuable Player, and first team All-Suburban League. Laura Cihlar was the leading rebounder and voted on the second

team All-Suburban League. Nancy Phillips received the Hustle Award and was named on the first team All-Suburban. Amy Weingart was pronounced the Outstanding Defensive Player and voted on the second team All-Suburban. Under Coach Rich Rybak, the girls were District Runners-Up in the Brunswick Tournaments, the first team to make it this far. The girls ended their season proud of their accomplishments. Wrestling

The Revere Wrestling team had a fairly good season this year, considering only two seniors finished the season instead of the usual nine or ten.

In the Suburban League Tournament, the team tied for 4th place with Copley. Robert Scavuzzo received the MVP award and won the Suburban League Title for his weight class of 155 lbs. Steve Felix was named the Most Dedicated and Dave Gowin, the Most Improved. John Mickey was presented the Jeff Goson Memorial Award for the outstanding freshman wrestler. The team is looking forward to improving its standing next year.

Tumbling On To Victory

After near extinction in 1982, Revere's gymnastic team came back strong, ending with a successful record of 13 wins and 5 losses. Under the coaching of Emma Wells and the leadership of senior captain Miriam Higgins, they proved that hard work and dedication lead to success. Junior Robin Fleming received the Most Valuable and the Most Dedicated award, and Juli Sterenberg was the Most Improved. Miriam Higgins obtained the only four year award, while Michelle Sauers and Anita Zweig received the Coach's Award. Other strong members were senior Ruth Ann Waickman, sophomore Missy Slaby, and freshmen Erin Fleming and Nita Kay Smith.

Revere Makes History

The 1984 Minutemen completed one of the finest and most successful seasons in history, with an overall record of 18-1 and a league record of 12-0. The Minutemen won the championship, their third in the last four years, under head coach Jeff Gibson. Revere won its first sectional championship by beating Kent Roosevelt, 9-8, after trailing 8-0 early in the game; and Brecksville, 10-2. The team's only loss was to Glen Oak in the semi-finals of the Canton District Playoffs.

Other highlights included an 8-4 defeat of St. Vincent-St. Mary, and a 9-6 come-from-behind victory over Chapmansville of West Virginia. The team was also awarded the first seed in the Cuyahoga Falls Sectional Tournament, the first team from Revere to receive that distinction.

Senior pitcher Dick Patterson had another outstanding year, compiling a 7-1 record, a 1.52 earned run average, and leading the league in strikeouts for the second consecutive year. Along with junior Chris Brown, he was named to the All-Suburban League Team for the second year, and was voted the team's Most Valuable Player by his teammates.

Senior Nick Serb and juniors Mike Rahach, Keith Levan, and Jim Bouton received second team All-League nominations. Junior Mike Magoline received honorable mention. All had fine years with batting averages over .350. Levan led the team with a .493 batting average, followed by Serb, who hit .425 and Rahach with .395. Magoline had 21 RBI's and had a fine year defensively at first base. Senior catcher Dave Snowball led the team in home-runs, with 3, and RBI's, with 22. Brown had a 5-0 record as a pitcher, and sophomore Ed Phillips was 4-0.

The team graduates only three seniors leaving seven

returning starters and nine returning lettermen, so there is a great deal of optimism about next year. With continued dedication and hard work, the 1985 Revere Baseball team may go even further. Good Luck!

Team Work

The Revere Girls Softball Team had a much improved season over last year, ending with a record of 6-8 and placing third in the league. Because the Junior Varsity team was eliminated this year, the underclassmen on the team had to work extra hard in order to catch up to the others and be ready for the upcoming years. Having no JV team experience will be an obstacle the future teams will have to deal with. Otherwise, the team did a commendable job despite extreme weather conditions.

Team captains, Carin Crislip and Becky LeBarre, helped promote an optimistic attitude by exemplifying it for their teammates. By working as a team, the girls were able to defeat Copley twice during the season.

Carin Crislip received the high honor of being the first and only athlete in the history of Revere High School, male or female, to be selected to the First Team All-Suburban all four years. She was nominated to the First Team this year, while Kim Bowman, Diane Ingle, and Becky LeBarre were selected to the second team.

With five seniors leaving there will be room for new talent to come next year.

A Winning Style

The Boys Tennis team completed a very successful season under new coach Rex Sloan. Although at time there might have been a communication gap between coach and team, they were able to land the second place spot in the Suburban League, falling short only to Hudson. Sophomore Todd Thomas was named the Most Valuable Player, and Ed Matusik received the Coach's Award. The team will most likely continue its winning style next year because of the abundance of underclassmen on the roster.

Season Dampened

The 1984 Girls' Track season was indeed dampened by the cold weather and the rain, but each girl shone in her efforts to perform and meet her goals. Coach John Fuller and team captain Mary Jane Mioduszeski helped lead the team around its many obstacles. The girls kept up their spirits and gained experience; this endurance made them all winners.

Field Dominates

The Boys' Track Team attained a higher level of competition this year. The start of the season brought an immediate victory with more to follow. The boys had the strongest field-event team in many years, as seen by constant wins in the long jump, high jump, and shot put. With only one home meet, the team showed more ability away than was to be expected. Overall, the team finished fourth in the league.

ADMINISTRATION

This year Mr. James Krosky, Mrs. Diana Sabitsch, and Mrs. Michele Hanke were elected to serve on the Board of Education with Dr. James Grow and Mr. Edward Butler. Along with Mr. Klingensmith (Superintendent), Mr. Davidoff (Assistant Superintendent), Mr. Allison (Service Affairs

Coordinator) and Mrs. Snyder (Treasurer), they have tried to make our schools run smoothly and effectively.

The Board's primary concern this year seemed to focus on excellence of education. Monthly, a Departmental Head presented to the Board what curriculum was

being used and what improvements had been made.

ADMINISTRATION

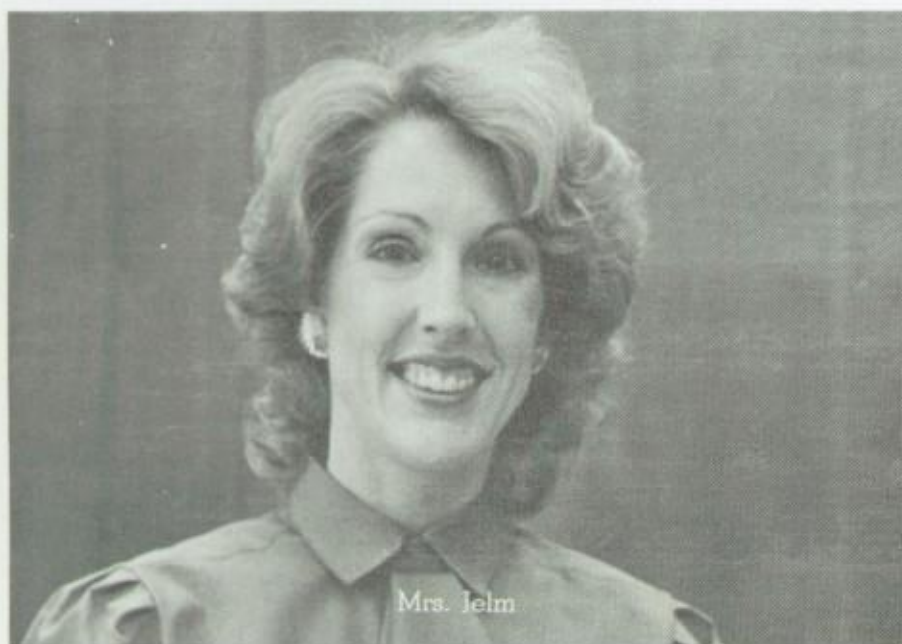

Mr. Ost

We experienced much change this year in our administration. We said a sad goodbye to our principal and friend, Mr. Wilkens, and to Mr. Wolski, our assistant principal. We also bid a warm welcome to Mr. Litzel and Mrs. Jelm.

Mr. Litzel, who was the principal at Eastview, became our fearless leader. Mrs. Jelm became the first female administrator in 17 years when appointed as assistant principal in charge of student attendance and as athletic director. Mr. Ost became assistant principal in charge of student management.

Mr. Litzel

Mrs. Jelm

Mrs. Osterlin

"Do you want to speak with the one in charge or the one who knows what's going on?"

Mrs. Berka

Jelm "starts us up"!

This year Mrs. Betsy Jelm began a jazzercise class for all who wished to come. It was an instant success with thirty students and faculty members in attendance. What made it work? She really cared. If someone didn't have a ride home she arranged one. She wanted us all to get physically fit.

Our secretaries play a very important role in our lives at Revere. They are there when we need to talk, need bus passes, come in late, or need information about any school policy. Without them we would be lost!

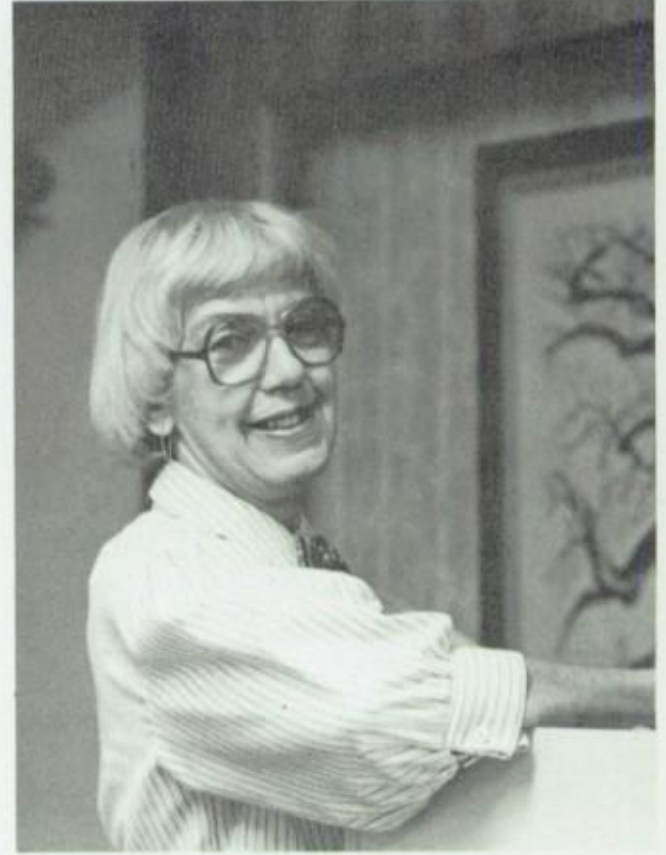

GUIDANCE

Our guidance department has been a vital source in our development. When we were freshmen we were assigned to a particular counselor, but we went to whomever we felt most comfortable with.

Whether that person was Mr. Kungle, Mrs. Boscia, or Mr. Fry, they were there whenever we had problems. They made us feel better about ourselves. When we were confused about what school to attend or classes to take, they helped us straighten things out.

Live It Up!

Living it up; parties, good times, memories. There's so much to remember about our four years together

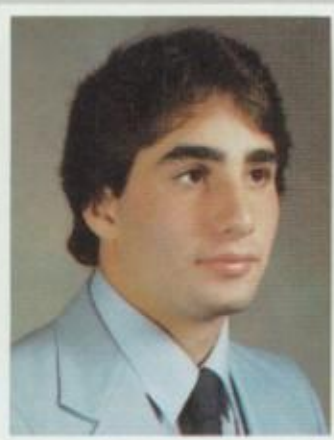

at Revere High School.

We've had a lot of fun together this year. Our Halloween hayride, Christ-

mas party, Kings Island trip, Banquet, Senior flick day, Prom, and finally Graduation.

We have grown closer to each other—through the joy and the pain. The loss of two of our classmates, Jeff and Marianne, made us value each other more.

We've grown up a lot since that first day here, and now we're venturing out into the world. Come what may, we'll always remember Revere and all the friends we have grown up with and have come to cherish. Yes, we have finally made it, we're on our way: The Class of 1984.

least once in their lifetime, and no matter how silly or how dumb, we'll always remember. Some people remember things that happened all the way back in 1st grade! Many of our classmates have embarrassed themselves when they've locked their keys in the car, or picked up the wrong date, or been caught "parking", but others have been caught in more precarious positions. Here are some responses we got to the question, "What was the most embarrassing moment in **your** life?"

"I was undressing in the locker room of the Springside Racquet Club and a girl walked in thinking it was the girl's locker room, but she soon found out that it was not!"

"I'll never forget when my braces got caught on a totally gorgeous senior's

shirt on the first day of school!"

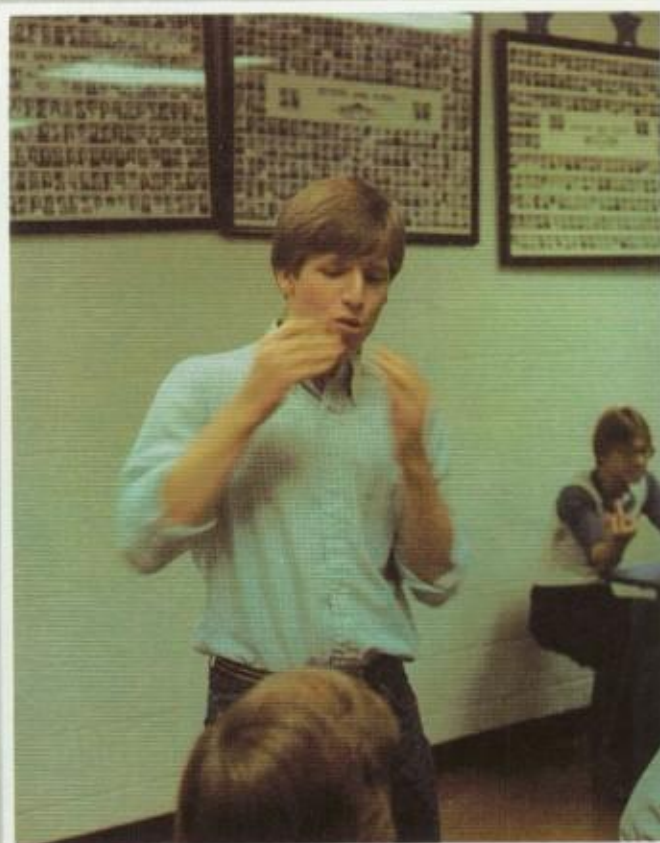

"Hitting a parked car while taking my first driving test!"

"When I fell asleep in Mr. Fuller's second period class, and he woke me up fifth period to tell me it was time for lunch!"

"Parking at Sand Run, a ranger pulls up; you try to act casual, and discover your bra sitting on the dashboard."

The Senior Myth

Seniors . . .

Blow off school regularly
 Don't complete their homework
 Eat only the green M&M's
 Hate Mondays and live for Fridays
 Count the days until graduation
 Never sit home on Friday or Saturday nights
 Don't wear pink and green
 Don't eat cafeteria food
 Wear cut-off shirts and shorts
 Stay out 'til 4 A.M.
 Are absent the day of tests
 Pass notes during class
 Talk in the library
 Put off applying to colleges until the last minute
 Go to Florida for Spring Break
 Party at football games
 Cram for exams
 Don't associate with freshmen
 Live on junk food
 Give substitute teachers a hard time
 Eat in the "Seniors Only" section of the cafeteria
 Wrap teachers around their little fingers
 Wear their pajamas to Breakfast Banquets
 Get away with everything
 Seniors, in fact, just don't care anymore!!!

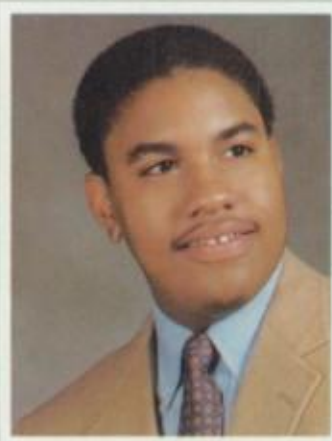

"Who the #@*! do you think you're looking at?!" growls Tony.

1984 is the story of one man's attempt to fight the system. The world has been taken over by a totalitarian government. Big Brother is the mustachioed symbol of this government. Every aspect of life is controlled by the government. Televisions monitor bedrooms. The language is distorted and twisted so that "PEACE MEANS WAR" and "SLAVERY IS FREEDOM". The individual is broken and becomes a part of the machinery of the government.

Winston Smith is the man who attempts to save his uniqueness from Big Brother. He thinks he can do it, but in the end he denies his love of a woman named Julia and willingly offers himself to Big Brother.

Why does he break? His worst fear is used to destroy him. In Room 101 where the most horrible nightmare comes to life, Winston Smith loves Big Brother.

We, as the class of 1984, do not know for certain this story will not become reality someday. But look at us. We are loving, intelligent, unique human beings. We hold the world's future in our dreams. We do not believe in the world of Big Brother and as long as we hold tightly to our love of one another and our belief in freedom, the world of *1984* will never exist. We hold the key. **We** are the wonderful reality of Anno Domini One thousand-nine hundred- eighty- four.

A Time To Celebrate

It was indeed "A Time to Celebrate" this year when Chris Flowers was crowned the new 1983 Homecoming Queen. The festivities began with Spirit Week, consisting of: Concert T-shirt and Escape Day, where underclassmen "escaped" to the commons during their study halls; Hawaiian and Mr. Irresistible Day; Punk and Ms. Irresistible Day, along with a bonfire later in the evening; and concluding with Spirit Day and the big football game, with the traditional halftime parade. Winning the float contest for their second year were the juniors, the class of 1985, with their "celebration" cake, while the theme of the annual dance was "Every Breath You Take." Although the Revere Minutemen lost their first Homecoming football game in many years, the event turned out to be quite successful and enjoyable.

"You Can't Take It With You"

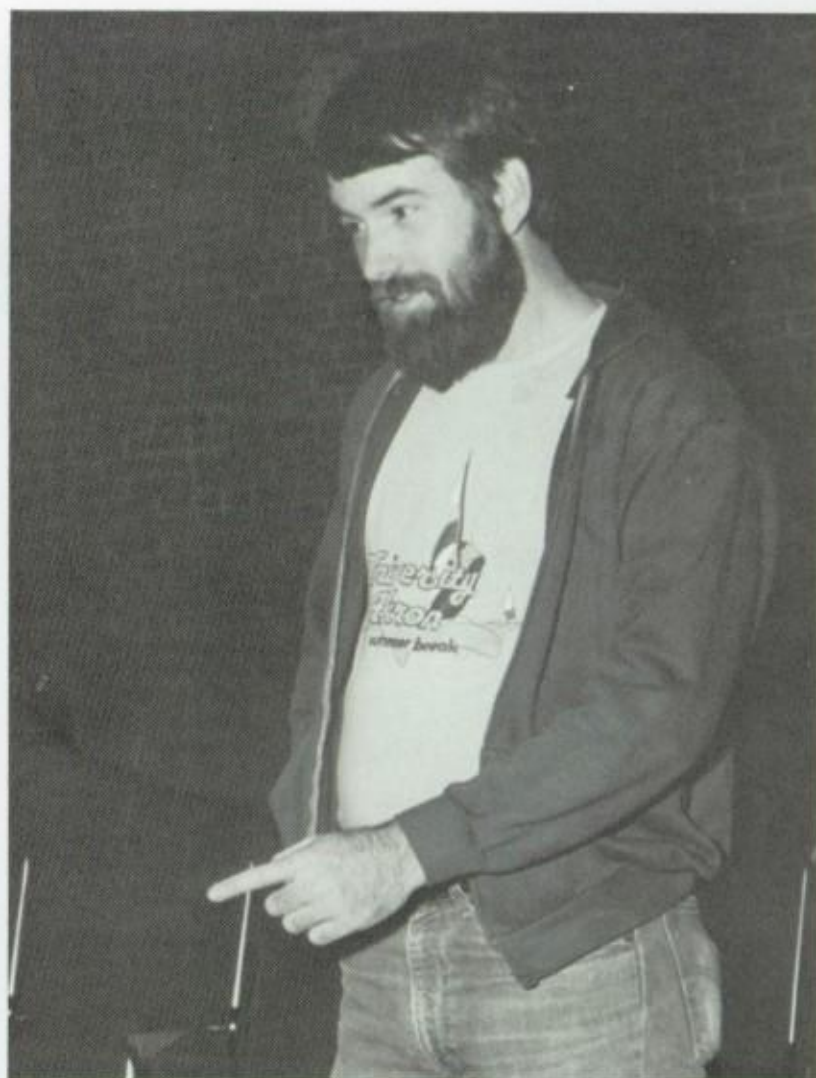

What do you get when you add together a mother who writes plays, a father who designs fireworks, throw in a nutty maid, a Russian waitress, a drunk third-rate actress and various other eccentric characters? You get this year's fall play, "You Can't Take It With You" by George Kaufman and Moss Hart.

Y.C.T.I.W.Y. was full of surprises. We saw Bill Lester age sixty years, Sean Fremon play with his erector set and Ben Campbell lose his hair. We also saw Ticia Kayuha attempting to dance, Heidi Butler trying to write, and Bill (Billy) Russell growing a mustache. It was an enjoyable evening for all.

Variety Show "84"

Variety was definitely the key word in this year's variety show. Larry Saltis's band **Scheme** started the show off on the right foot and was followed by acts ranging from a duet by Gloria Colonna and Randy Probert to a dance number by Lauren Wisz and an ad for Dr. Scholls courtesy of Revere's Comedy Troupe.

After intermission the audience was greeted by the band **Phase 4**. The second half of the show included dancing, a slide show about Brazil by Ana Miriam, the WRHS news, and a sad and final farewell from Bob and Doug McKenzie. The show ended on a beautiful note with Lindy Dougherty's solo "Memory," from **Cats**.

HARVEY

After many hard weeks of rehearsing, the cast and the crew set the scene for the Broadway hit "Harvey" by Mary Chase. On the evenings of March 30 and 31 the Revere stage was transformed into the home of Elwood P. Dowd (Bill Lester), his sister Veta Louise Simmons (Ticia Kayuha), and her daughter Myrtle Mae (Najla Ghazi). The stage also doubled as the office of the

psychologist Dr. Chumley (Stefan Von Zastrow). During the course of the evening the audience came to know the unusual characters in "Harvey", ranging from a stupid orderly at a mental hospital (Erik Moore), to Harvey himself, an invisible 6'1 1/2" rabbit with magical qualities. By show's end, both cast and audience realized that one doesn't necessarily have to see to believe.

Mondale, Hart, or Jackson?

On May 8, over 400 delegates, band members, and students in various capacities assembled in the Revere gym for the quadrennial mock convention. Nine names of prominent Democrats were put into nomination, but without the required majority on the first round, the delegates then politicked, promised, and argued their way into a third round before finally nominating Jesse Jackson as the Democratic standard bearer for 1984. With 393 delegates, 197 were needed for victory, and Jackson reached this magic number when the Texas delegation cast its lot in with the Rainbow Coalition. Once delegates were released from their primary and caucus obligations of balloting on the first round, support for Walter Mondale faded fast, while support for Jackson and Gary Hart grew.

In the nominations and voting for the vice-presidential candidate, Gary Hart won a first round victory. Early attempts to place fellow Coloradoan Pat Shroeder, the favorite of the feminists, on the ballot failed to generate the needed support. Thus, as the balloons and confetti flew to the accompaniment of "Happy Days Are Here Again" from the Mock Band, Revere students decided that the best chance for victory in November rested with the ticket of Jackson-Hart.

Memories, Past And Present

The Senior Banquet for the Class of 1984, held at the Tangier Restaurant in Akron on May 17th, was successful and fun.

The evening began with a welcome by Bill Downing, the class president, and a prayer by Kevin Gore. Dinner consisted of Turkey, Beef Burgundy, Fried Chicken, Lasagna, Vegetables, Potatoes, Salad, and Strawberry Shortcake.

Mr. Litzel revealed his thoughts, feelings, and aspirations for the Class of 1984.

The Class History and Prophecy were conducted by Bill Lester and Mariam Higgins; Entertainment was provided by Lindy Dougherty who sang "Memory" and was accompanied by Marnie Halasa.

The the long-awaited Senior Select was read. There were a few surprises (Mike Marchetta—Best Legs?? What about Dick Patterson??) but most were previously speculated.

Finally the Senior Memories were projected by Jenny Curtis and Kevin Gore as the evening came to an end.

Awards, Awards, Awards!

On May 17, 1984, Revere held its annual Senior Awards Assembly in the auditorium. Many awards were given to extremely talented students.

Bath Volunteers for Service recognized seniors with outstanding volunteer records, awarding scholarships to **Krista Day**, **Tim Peterson**, and **Trayce Thompson**. The Bath-Richfield Kiwanis Club presented scholarships to **Kelly Sikora** and **Mike Monagan**, and outstanding art student **Ann Griffith** was called to the stage to receive the Myron Winder Country Art Festival Scholarship. A.F.S. awarded scholarships to **Lisa Duddey** and **Scott Crist**. **Debi Cappuccio** was awarded a scholarship from the Richfield A.M.V.E.T.S. for the outstanding business student, and the Voice of Democracy essay winners **Brett Waress**, **Jenny Bandy**, and **Mark Felix** received medals and awards from the Richfield V.F.W. post.

State Senator Oliver Ocasek presented scholarships to **Mark Nelson** and **Lynn Klimo** in memory of his late wife Virginia. The Richfield Education Association's scholarship was presented to **Linda Lloyd** while **Curt Buerling** received the Eleanor Viall memorial scholarship. From the Bath

Women's Club **Ernie Leffler** was awarded a scholarship. **Dave Snowball** was called to receive the Bob Lowe Memorial Award (as the senior football player with the highest academic average) and the Frank Pappano Memorial Scholarship.

The United States Army recognized **Dave Snowball** and **Trayce Thompson** as Outstanding Student/Athletes.

Joel Symons, **Tim McCabe**, and **Jackie Frank** received Vo-Ed Scholarships for being the top students in their trade area. **Ellen West**, **Albert Cook**, **Mike Bauer**, **John Butzberger**, and **Scott Root** were named as commended scholars and were awarded Board of Regents State Scholarships. **Scott** also obtained a Miami University alumni scholarship and Ben Suffern Memorial Scholarship.

Still in addition, several departments gave awards to their outstanding performing students in all grades.

Continuing, **Susan Lucas**, **Lisa Smith** (Co-Editors of the Yearbook), and **Mark Nelson**, and **Scott Root** (Co-Editors of the Lantern), received the Quill and Scroll Awards. The Senior Class Scholarships were given to **Ann Glova** and **Bill Lester**. The Century III Leaders award was given to **Ben Campbell**.

Finally, **Deme Koutrodimos** and **Kevin Gore** were introduced as the Chrysler Award winners, while the senior NHS members and the faculty nominated **Maria Aristide** and **Mark Nelson** for the Manhood and Womanhood awards.

Congratulations to all Award and Scholarship winners!

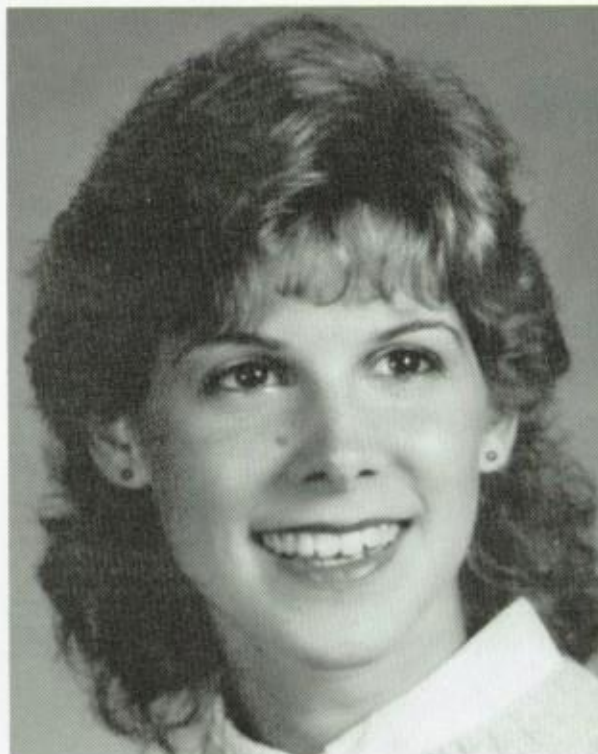

Deme Koutrodimos and Kevin Gore, Chrysler Award Winners.

Kathy Andria and Eric Rains, Math Award Winners.

Forever's Gonna Start Tonight

Senior Prom. What is it all about? High expectations; the last big fling with fellow classmates before graduation; a time to spend with a special person. Afterwards there are parties, Cedar Point, and fun, fun, fun!

Revere's Senior Prom was held at Silver Lake Country Club, Saturday, May 19th. The dance began at 8 P.M. and centered around the theme "Forever's Gonna Start Tonight", a song by Air Supply. The band for the evening was **Shurfire**, with our own Edwardo at the keyboard. Everything was wonderful, and everyone looked absolutely fantastic.

All in all, the evening was a pleasant one, despite the heat and the rain.

THE OLIVE TREE

Native to the Mediterranean region, the olive tree is one of the oldest trees known to earth. It is a green tree year round, producing fruit for hundreds of years and often living up to 300 years. The olive has been considered a sacred tree from the earliest times, being mentioned in the Bible, many times. Noah's dove returned to the ark bearing an olive branch to announce the end of the flood and the beginning of a new life. Proverbs refers to the olive and the legend of its powers as "a tree of life to them that grasp it, and to them that would uphold it, everyone is rendered happy." Legend has it that when the wood was used for Christ's cross, God promised the olive that there after it would be used only to bring peace and beauty to the world. Perhaps this is why pieces carved from olive wood have a rare quality and unique beauty not found with other woods.

OLIVE WOOD CARVING

The art of olive wood carving was introduced to Bethlehem in the 12th century by the Crusaders. The masters of Bethlehem are considered the best in the world, passing the art down from father to son. The wood used for carving comes from trees over 300 years old, as the older the tree the more interesting the texture and grain. The cut wood is dried naturally, a process that takes 2 years, before intricate carving begins.

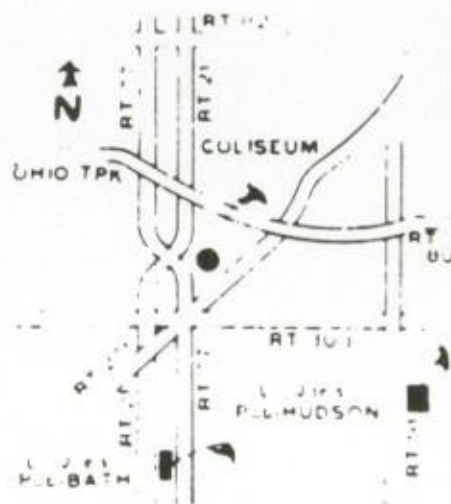

THE ARTIST

Naim Alherimi was born in Jerusalem and has lived in Bethlehem all of his life. The Alherimis are one of Bethlehem's oldest and most respected families, dating back to its founding. Olive wood carving has been the Alherimi's pride and profession since the 12th Century when they numbered among the first students of the Crusaders. Naim, a master of olive wood carving, learned his art as a boy from his father. Rather than following the family's traditional profession, he chose scholarship. However, after earning a B.S. in Political Science, he still felt unfulfilled. It was then, with God's guidance, he decided to return to the ancient art of his forefathers. Naim now understands that carving is his true calling and he believes that much of the direction and inspiration for his work comes from God. He thoroughly enjoys his work and feels fortunate to be able to bring to you the beauty of his art. The olive wood used by Naim is only from the Holy Land of Bethlehem. Each piece is individually designed and hand carved.

Looking Back

We can't believe we're *finally* through with this yearbook! Now we're really looking back; not just at this year but the past four. It's sad to realize we're leaving friends, but it's exciting to discover what the future holds for us. We'd like to wish you the best of luck next year. Don't take for granted the time you have. Savor and enjoy every minute.

A special thanks to Mr. Folkerth and Scott Litman for all their wonderful photos.

Again, good luck and goodbye.
Susan and Lisa
